Our Purpose:

- 1). To provide an organization for collectors and historians of wireless, radio, television, and other similar items.
2). To promote the acquisition and preservation of biographical, technical and historical data, through the collecting of radios, stories, photographs, literature and other related items, particularly with respect to the inventors and early radio pioneers of Iowa.
3). To educate and enrich the public knowledge about the historical and cultural significance of radio by means of lectures, discussions, publications, workshops, displays and presentations.
4). To encourage and assist individuals in their preservation and restoration of radio and television related items to a condition consistent with the original intent of their manufacture.
5). To create and foster an interest in radio history.
